

SECURITY ASSESSMENT AND MANAGEMENT CERTIFICATE

Program Website: <https://www.towson.edu/cla/departments/interdisciplinary/grad/security-assessment-management-certificate/>

Program Director: Dr. Suat Cubukcu
Phone: 410-704-5256
Email: scubukcu@towson.edu

The Post-Baccalaureate Certificate in Security Assessment and Management can be completed as a stand-alone program or embedded in the Master of Science degree (see description of the Integrated Homeland Security program).

Online Instruction

The entire post-baccalaureate program is delivered online. The goal of the online program is to provide students all of the necessary resources at their fingertips. Students participate in online classroom discussions and review class materials whenever they choose. Towson University utilizes Blackboard as the learning platform for all online courses so there is a consistent format from course to course. The application process and curriculum requirements for online learners are identical to those for students attending courses on TU's campus.

Requirements

Admission Requirements

Application deadlines and a full listing of materials required for admission can be found on the website.

Degree Requirements (15 units)

Code	Title	Units
IHSM 611	CRITICAL NATIONAL INFRASTRUCTURES	3
IHSM 612	PLANNING, PREVENTION AND RISK MANAGEMENT	3
IHSM 613	EMERGENCY COMMUNICATION AND MANAGEMENT	3
IHSM 614	TEAM BUILDING AND LEADERSHIP SKILLS	3
IHSM 615	STRATEGIC AND TACTICAL PLANNING	3
Total Units		15

Learning Outcomes

1. Analyze, evaluate and apply threat monitoring and risk mitigation, theories, models and resources to protect critical national infrastructures.
2. Compare homeland security leadership principles and apply them to solve various strategic and tactical disaster resilience, threat mitigation and emergency management problems.
3. Apply disaster management precepts to coordinate scalable, interagency, and cross-jurisdictional efforts that minimize public harm and restore intersectoral integrity.
