The Graduate Student Association (GSA) upholds the mission of academic excellence at Towson University and provides a vehicle for graduate students to express their needs, concerns, and ideas. The GSA provides research and travel grants to help defray costs for graduate students who wish to pursue scholarship, and attend or present at a professional conference. Graduate students are encouraged to apply for these grants. The GSA represents graduate student views on various university-wide committees and distributes a newsletter that addresses various topics specific to the graduate student. Graduate student fees fund the GSA; therefore, all graduate students automatically become members of the GSA and active participation is encouraged. Visit the GSA website for the list of social events and meetings.
