Dining and Meal Plans

There are over sixteen on-campus dining options at Towson University. All-you-care-to-eat dining is available in our three dining halls:

- West Village Dining Hall
- Glen Dining Hall
- Newell Dining Hall

Grab and go dining is available in retail dining locations located on campus. Find whatever you may need in any of our three convenience stores, including Tiger Express, a 24/7 convenience store.

TU offers two different styles of meal plans. All-Access style meal plans offer our resident students an unlimited dining experience and block style meal plans offer commuter students flexibility. All-Access plans include unlimited entry into any of TU's three dining halls. A Block meal plan is a quantity of meal swipes that is reduced for every entry into a dining hall or Tiger Meal. Block meal plans come with Dining Dollars as well. All meal plans have three guest meals per semester that can be used to bring a guest to dine in a dining hall.

In addition to access to the dining halls, most meal plans include Tiger Meals and Dining Dollars. Tiger Meals are a predetermined meal combination available at our retail dining locations. Dining Dollars are a debit spend down account used at all dining locations to purchase food items. Dining Dollars are tax exempt, granting the user a 6% savings on each purchase.

Our Dining Services team is equipped to accommodate most allergies and special diets. Students in need of assistance are encouraged to contact our on-campus registered dietician.

Meal plans and Dining Dollars are managed via the OneCard portal. Please visit our website or contact dining@towson.edu for assistance.

Visit the Dining Services website for details.

Choosing a Meal Plan

The meal plan selection process begins by identifying which building the student will reside in as some students are required to maintain an All-Access meal plan.

Students living in Barton House, Douglass House, Glen Complex, Newell Hall, Richmond Hall, Prettyman Hall, Scarborough Hall, Residence Tower, or The Residences at 10 West Burke Avenue floors 2-5 are required to purchase an All-Access meal plan. All-Access meal plans allow for unlimited entry into any of the dining halls during operating hours.

Students who commute or live in Millenium Hall, Harris Hall, Tubman House, Barnes Hall, Marshall Hall, Towson Run, or The Residences at 10 West Burke Avenue floors 6-15 are not required to have a meal plan but may choose from either the All-Access or Block style plans. Block meals can either be used as an entry into the dining halls or as Tiger Meals.

Prices are subject to change. For more information, visit our website.
